Can you get the socks in the box?

For today's #daily play, you will need:

1. A few pairs of socks

2. Some masking tape, string or even the tie off your dressing gown!

Time to play!

1. Roll up each pair of socks into a ball
2. Using the tape or string, create a square on the floor
3. Take it in turns to see if you can throw the socks into the box!
4. Who got the most socks in the box?

Let's talk!

- Q) How could we make this easier/ trickier?
- Q) What happens if you stand further away?
- Q) What happens if we try it on a different floor?

...Some fun words to try and use!:

Harder	Fling
Softer	Hurl
Further	Push
Closer	Catapult!

How many socks did you get in the box?

Moving

Throwing the socks is a great opportunity for me to strengthen my muscles, improve my control and boost my hand eye coordination!
