

## Wednesday 25th March

It's time to put those den building skills to the test...

For today's #daily play, you will need:

1. Blankets, rugs or bed sheets

2. Pegs or string

3. Cushions

### Time to play!

1. Find bed sheets, blankets or rugs around the house.
2. Use pegs or string to fasten the onto tables, chairs or other objects to build your den.
3. Decorate and make it comfy with cushions and other blankets!
4. Finally, why not use a torch to eat dinner or read a story together under cover?

We'd love to see you enjoying your dens together!

### Let's talk!

- Q) Where should we build our den? Why?
- Q) What do we need to build it?
- Q) What shall we do inside our den?

### ...Words to inspire your imaginations!:

Campfire	Cosy
Marshmallows	Stars
Torch	Night sky
Blankets	Moon

### Problem solving

Den building is a great way for me to come across problems that I need to solve. It may take a few tries to work it out, but this helps me to become more confident when I am faced with new challenges in the future.

At Boromi, we're a network of play libraries on a mission to empower families to connect, talk and play together at home. Over the coming weeks, we're doing what we can to help our families still enjoy #dailyplay.
