Happy New Year! Welcome back to school.

We hope you all had a relaxing and enjoyable Christmas holiday.

Assembly Focus

This week we have been thinking about the character strength of OPTIMISM. To show optimism is to look to the future with hope and belief - this is not always easy and sometimes, when we have experienced setbacks, can be a challenge. How we view things and our attitudes towards elements such as change, learning or new ideas matters. Approaching these with a positive view and optimism of a favourable outcome is important. Is the glass half full or half empty? Can we have an optimistic approach - even if cautiously optimistic? Where we are less certain can we ask for help to support how we feel and improve the likelihood of a positive outcome? Lots of super discussion this week as we start the new year!

Well done to **AIR** who was the winning teams this week.

Swimming

Swimming will begin on Monday 15th January for pupils in Year 5 and 6 with an initial block of assessment and development activities. The cost for swimming is expensive to small schools as we have to cover the cost of the coach as well as the cost of the pool and tuition. We are very grateful that this has been **heavily funded by the Friends of the School who have covered just over 50% of the cost**, reducing the price to £4 per session, per pupil. Voluntary contribution payments for this can be made on ParentMail – please do not hesitate to contact the school office if you have any questions in relation to payment and we will be happy to help. Thank you for your continued support.

Friends of the School Meeting

Thank you to everyone who was able to attend the Friends of the School Meeting this week. We spent the time discussing the plans and preparations for the Belvoir Challenge. A letter has gone home this week so that you can see how you can help and support this and our next meeting is on Thursday 25th January at 7pm at school. Everyone is welcome and we hope to see you there.

Nativity Collection

We were delighted to receive a letter of thanks from St. Mary's Church, Harby when we returned to school. This was thanking all parents and friends for their generous donations towards the bell restoration project which totaled £260.

Thank you for your support and generosity.

Census Dinner Menu – Thursday 18th January 2024

On Thursday 18th January it is census day at school and so there is a special menu! The dinner will be pepperoni pasta or cheese and tomato pasta with garlic bread and sweetcorn. The desert is a sugar doughnut with strawberry sauce. Jacket potatoes **will** still be an available option on this day. Orders can be placed on the day, please do not hesitate to ask if you have any questions and we will be happy to help.

Class 2 and 3 visit to Oadby Central Mosque

A letter has gone out to parents this week. Please contact the school office if you have not received one and we will be happy to help.

Parking

Please remember to consider where you are parking at collection and drop off times. Many children walk to school, with parents or alone if they are older, and learning to navigate and cross the road safely is an important skill.

Please consider where you park, use alternative

Parking areas and walk to school where you can and please don't park opposite or even on the yellow zig zags. The yellow zig zags are directly opposite the gate and school exit and this is not a safe place to park. We would be grateful if you would please pass this information on to other relatives or friends that you have notified us are collecting your children so they are aware too. I am sure you will agree that the last thing anyone wants to happen is an accident. **Thank you for your continued support – it really is very much appreciated.**

Payments for Aylmerton – Year 5 and 6 Residential

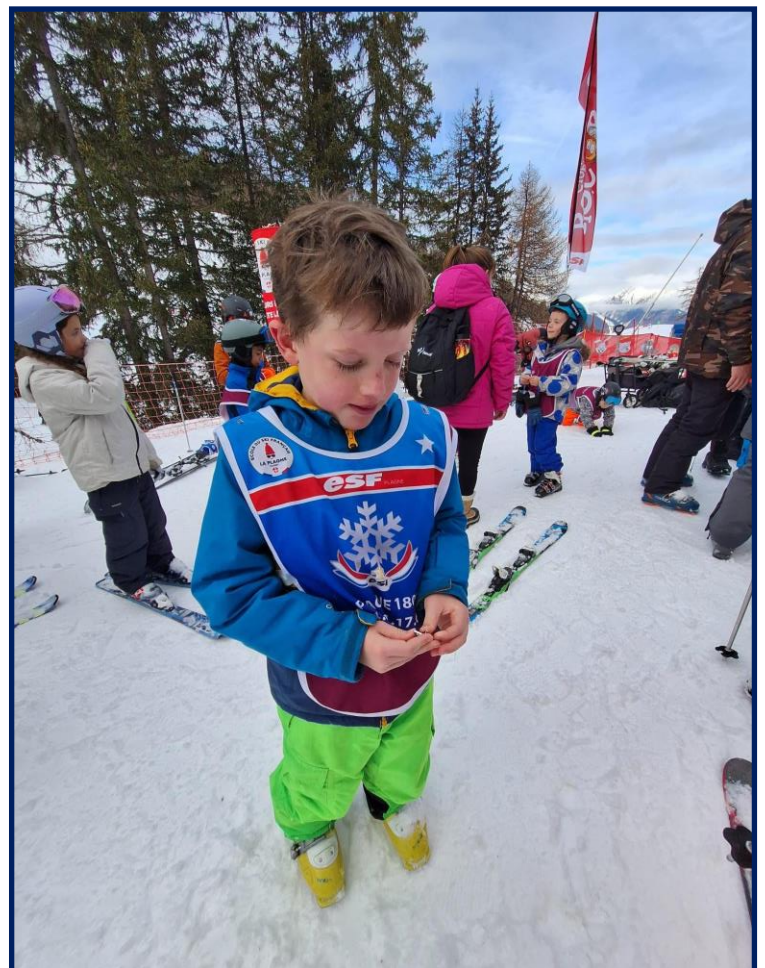

We are looking forward to the Year 5 and 6 residential visit to Aylmerton in the new year! A reminder that we are collecting your payments for this visit via ParentMail. Please do not hesitate to contact the school office if you need any assistance with using ParentMail and we will be happy to help. ***Thank you to those parents who have already made payments or have been in contact with school about payments.*** Unless otherwise discussed and agreed with school, payment in full is needed by the end of January 2024. We are always happy to discuss individual circumstances in confidence so that we can help. Thank you for your continued support.
