Assembly Focus

This week we have been thinking about the character strength of **PATIENCE**. To show patience is to be able to accept delays and to wait for things. It is to be tolerant that things may take time, to show self-restraint in waiting for things and to not become annoyed or frustrated with waiting. This can be a difficult character strength to employ when we are keen for things to happen. Being patient with others is also important. Understanding that sometimes people do things at different speeds to others, being patient and understanding of other people's approach which may be different to our own. Can you think of a time when someone has shown patience with you? How could you show patience to others?

Next week we will be focusing on the character strength of responsibility and being responsible.

Well done to **WATER** – the winning team this week!

Naming jumpers, clothing and coats!

Please do remember to make sure your child's name is on their clothing so we can easily give back any lost items. Our uniform colours are navy blue and white and do not have to be school branded. Please also remember to send your children with a coat each day as the weather is rather changeable at the moment with sunshine and showers.

Thank you!
