Assembly focus:

This week we have been thinking about the character strength of PERSEVERANCE. To persevere is to keep trying and keep going - even when things seem difficult. To persevere is to show a determined approach with patience, endurance and dedication. We can encourage others to keep trying and persevere by offering support and kindness in different circumstances. Children across school have been challenged to encourage each other to persevere with tasks and we've also looked at ways to ask for help if we are finding it hard to persevere.

Team Points

We have been awarding lots of team points already this week! Well done to Water - the winning team this week!

Trip to Creswell

Thank you to everyone who supported the Y3/4 on the trip to Creswell Crag. Both the children and adults had a lovely time – lots of photographs have been uploaded to Seesaw – it looks like they had an amazing time!

School Council

Our current school councillors, elected last year 2021-22, are keeping their posts until Christmas. We'd like to welcome the two new reception councillors – Maddison and Ronnie and welcome back to Max, Isaac, Emma, Tiana, Ellie, Bella, Joe, Hope (absent but we'll get another picture when she's back), James, Abigail, Jack and Mila.

Remember to submit your playground plans and ideas to School Council.
Riding success and exciting opportunities.

Georgie, Y6, has had a brilliant competition season at Soar Valley Riding Club this year, becoming overall champion in 2 different classes with her pony Toby. She has been asked to represent her club at an elite competition held at Aintree racecourse, Stars champion of champions, and she is very excited about riding under the spotlights at Aintree International Arena.

Well done Georgie!
