Belvoir Challenge – Baking!

Dear all,

As I'm sure you are already aware, the Belvoir Challenge takes place on Saturday the 4th March this year. This is our only school fundraiser and is the one big event we all work towards to help to fund school trips, resources and valuable enrichment opportunities that benefit all of children. We are very grateful to those of you who have already signed up to support us on the day itself. Now, it's all about the preparation beforehand - namely baking!

The event itself runs on mud, cake and the good will of everyone in our school to go over and above to make it such the success it has become famed for. Altogether, our small school community pull together and provide 2,500 cake portions and 850 puddings to all the runners and walkers braving the mud and variable weather. As a rough guide, this requires 45 families across the school to commit to baking around 75 portions each.

If you are not a baker, don't panic, shop bought options are okay too, or rope in family members to help out. It is best to keep the baking cheap and simple - flapjacks, biscuits, fridge cakes and simple loaves, all transport to check-points well and can be grabbed and eaten easily on the go. These can be cut up quite small as often runners only want a little pick me up as they are on their way. For puddings: crumbles and various sponges (think school dinners!) are all served up with lashings of custard to warm everyone up at the end.

We understand donating cakes isn't an option for everybody, but please do consider signing up for as many portions as you feel able to. Simply follow the links to sign up!
