Assembly Focus

This week we have been thinking about TEAMWORK: Teamwork can be described as the collaborative and shared effort of a group - working together to achieve a common goal or to complete activities in the most effective and efficient way. We all have different skills, strengths and abilities and being able to combine these as we work together can help us to achieve our shared goals. We need to use different character strengths as part of our teamwork - being open -minded, being tolerant, listening to others' views, being adaptable and being respectful of others. This can be challenging at times if we have strong opinions but if we all work together there is a shared pride in our successes and achievements which feels good and is powerful. Lots of teamwork was showed this week in Sports Day and working together to put on Pirates versus Mermaids! Well done!

Pirates vs Mermaids!

We hope you all enjoyed our KS2 show! The children did an amazing job. Thank you to everyone for their hard work and support in making this happen – it was a super day! Look out for more photos in the Link Letter!

More Pirates vs Mermaids photographs...

Team Points

Well done to **AIR** who was the winning team this week. And to **FIRE** who was the winning team on Sports Day!

Cumulative Total – Summer Term 2023			
Earth	Air	Fire	Water
100	108	86	109

STEM Club

This week the children enjoyed a 'slime lab' challenge! Lots of explorations and excitement at seeing how different materials can change and create new ones!

Sports Day and 'Tea at Three'

Thank you to everyone who was able to attend our Sports Day and Tea at Three on Monday. We had a super day with field events during the morning and then track events during the afternoon. Thank you to Mr. Bye for organising a great day!

Thank you to the Friends of the School for organising and serving Tea at Three! We also had a uniform rail and a collection for the children's choice of charity which this year was 'Cancer Research.' We are still totaling up your generous donations and will let you know a final figure in next week's Link Letter. Thank you for your continued support.

Talented Children

Musical Achievement

Well done to Jacob, Fergal and Isaac who last week achieved outstanding results in their recent music examinations in the viola or violin.

Jacob achieved Grade 2 with Merit, Fergal achieved Grade 2 with Distinction and Isaac achieved Grade 3 with Distinction. These are an exceptional set of results – we are very proud of you and will miss hearing your music as you move on to High School in the autumn term!

Sporting Achievement

Alfie and Fletcher's team were awarded trophies for the runners up award in the spring YEL league playing for Keyworth United under 10s team. They were awarded at the Royal Concert Hall on Saturday! What a fantastic achievement – well done!

Archer completed the Lidl Mudder last sunny weekend, held at Belvoir Castle. Lots of determination and perseverance shown in this event! Well done!
