

Where in the World Is Russia?

Amazing Fact

Russia has over 13,000 abandoned and empty villages.

Challenge

What do you know about Russia? Where is it? What languages are spoken? What currency is used? Use the Internet and non-fiction books to learn more about Russia and the people who live there. Record your research on the fact sheet below.

You could also try to find out:

- why the villages have been left abandoned;
- if you can find some pictures of the abandoned villages;
- about any abandoned sites near where you live.
